THE GERMAN CAPITAL REGION
excellence in metal

KNOW ABOUT EACH OTHER. WORK TOGETHER.

The Metal Cluster has established a strong network and far-reaching effectiveness right across Brandenburg. Entrepreneurs, researchers, and those involved in business development are working together to meet the challenges posed by technological innovation, resource efficiency, and demographic developments. Transdisciplinary knowledge and joint action are key to successfully mastering the transformation in the metal industry.

Let's seize these opportunities together!

Prof. Dr.-Ing. Jörg Reiff-Stephan
Cluster Spokesperson Metal Brandenburg
