

Cooperation Poster at the Cluster Conference Metal 2021

With the following information your poster will be created and printed by the WFBB. This will help you to find partners for your innovation project. The posters serve exclusively for the mediation of cooperation and project partnerships and should not contain any product advertising.

Please send the following information until 15.10.2021 to katja.hesse@wfbf.de

- Title of the cooperation project (max. 60 characters including spaces)
- Photo/sketch of the project or your logo (please use high resolution)
- Short description of the project (max. 400 characters including spaces)
- Ideal partners (who are sought)
 - e.g. companies with the following competences
 - e.g. university / research institute with the following competences...
- Your contact details: Name and surname, name of the institution, address of the institution, telephone number, e-mail, website

SAMLE

On the right, interested parties can attach their business cards.
